Salon shapes and acrylic art

Global Brand Ambassador Allie Baker presents this 4 hour hands-on acrylic workshop. Coffin, almond, edge, the list goes on. Ever wonder exactly how all those different shapes are created? It's all in the form placement. Learn how to properly structure those increasingly popular shapes you keep seeing online and try it yourself. We will also cover salon viable acrylic designs that will help you increase your salon profits and client list. Create beautiful backgrounds and wearable 3-D art. Why stick to basic?

Let Allie show you how to wow!
