“Raising the Bar with GEHWOL Foot Care”

Class day and time:

Saturday May 18th 8:00 am to 12:00 pm

Speaker: Shelley Kessler

Director of Education and Development

Shelley has over 30 years' experience in the Nail Industry as a technician, manager, business owner and educator. Over the last 11 years, she has traveled domestically and internationally educating Spas and Salons about GEHWOL products, salon services and healthy foot, skin and nail care practices. She was instrumental in developing the GEHWOL Manicure and Pedicure Treatment Protocols, Training Videos, Advanced Seminar and Raising the Bar with GEHWOL Foot Care. She believes in sharing her many years of knowledge and experience in the industry to help others with the success of their business.

Assistant Speaker: Leeza Musiyenko

Account Executive, Washington State Area

Leeza is an account manager at Benestar Corp., where she trains and provides support on GEHWOL products to salon staff, management and owners as well as individual practitioners focused on quality foot and nail care. Having been a salon owner and a foot-care practitioner for over seven years, she understands the pains of growing a successful business and knows how to make it more satisfying and profitable. She also has over eight years of training from German, Canadian and Russian specialists in salon management best practices and various foot-care techniques to provide the highest quality service and care.

Topics that will be discussed:

- How good health and comfort are essential to any beauty regimen
- How to take care of all your client's needs
- How to refresh your business by enhancing knowledge and networking
